

Dairy mate™

Introduction

“Sri Sai Agro Implements,” is a renowned manufacturer of Dairy equipment, who manufacture a wide range of Milking Machines under the brand name of

Backed with a noble vision to serve the Rural farming community and with 3 generations of hands-on farming experience, “Sri Sai Agro Implements” manufactures & markets world-class indigenous products at affordable prices for the small and medium farmers

Product Range

Hand Operated, Trolley type Milking Machines ; Electrical Motor operated Milking Machines (single or double bucket) ; Kerosene engine Operated with Electrical Motor option Milking Machines (single or double bucket) ; Robotic Milking Machines

Electrical Motor Operated (Single & Double Bucket)

Specifications

- Milking capacity: 10 - 12 cows / hour
- Milking can: 20 Liters, 304 S.S (ISO 9001)
- Motor Power: ½ Hp or 1 Hp (370 or 740 Watts),
230 volts (Single phase),50 Hz,1440 rpm
- Pulsator: 60:40 type
- Milk hose: Silicone food grade, Non Toxic and Transparent
- Trolley Mounted

Kerosene Engine Operated with Electrical Motor option (Single & Double Bucket)

Specifications

- Milking capacity: 10 - 12 cows / hour
- Milking can: 20 Liters, 304 S.S (ISO 9001)
- Kerosene/ Petrol engine Operated (1 hp) with Electrical
Motor option (1/2 hp) Milking Machine
- Pulsator: 60:40 type
- Milk hose: Silicone food grade, Non Toxic and Transparent
- Trolley Mounted

Dairy mateTM

Hand Operated, Simple type ('Eco' model)

New

Hand Operated, Trolley type ('Deluxe' model)

Specifications

- Milking capacity: 2- 3 cows
- Milking can : 20 Liters, 304 S.S (ISO 9001)
- Pulsator: 60:40 type
- Seating type
- Milk hose: Silicone food grade, Non Toxic and Transparent

Specifications

- Milking capacity: 8 - 10 cows
- Milking can: 20 Liters, 304 S.S (ISO 9001)
- Pulsator: 60:40 type
- Trolley mounted, Seating type
- Milk hose: Silicone food grade, Non Toxic and Transparent

Features & Benefits

- Economical and Affordable
- Efficient and Reliable for fast and Hygienic milking
- Indigenous design with international Quality
- Sturdy and compact
- Trolley mounted design for easy Mobility
- Easy Maintenance

Advantages

- Increases Milk yield by 10-15% as compared to manual milking
- Reduces Milking time
- Ensures complete milking & safe health of the cow
- Ensures Clean Milk
